

FREE EMERGENCY SKILLS TRAINING

The Community Emergency Response Team (CERT) Program uses a FEMA curriculum to educate people about disaster preparedness for hazards that may impact their area and trains them in basic disaster response skills, such as fire safety, light search and rescue, team organization, and disaster medical operations. Using the training learned in the classroom and during exercises, CERT members can assist their families and others in their neighborhood or workplace following an event when professional responders are not immediately available to help. CERT also participates in searches for missing persons, serves as coastal spotters for persons swept out to sea, storm response and other emergencies.

Learn These Skills and Many More:

Emergency Medicine
Use of a fire extinguisher
Disaster Preparedness
Shutting your utilities
Rescue Techniques

Communications when phones fail
Assessing your home or workplace after an earthquake or storm
Neighborhood search
Working as part of a team

All classes are taught in Monterey.

This class provides 24 hours of community service credit to High School Students!

The next CERT class occurs on Saturday February 22nd, February 29th and March 7th, 2020. Class time each day is 8:15 A.M. to 4:30 P.M. Attendance at all three sessions is necessary to complete the training and graduate. Class is

open to everyone. **To enroll, send an email to:**

training@montereycert.org You will receive a confirmation.
