+ 2 attendees: John Hill, Bruce Orinstein, Howard Fosler

Timeline & Minutes

7:06pm –

D. Alcohol in Recreation Areas with Permit

Discussion. Serve alcohol with permit. Need to have a permit before.

Ask for clarification.

Motion: Our consensus is that we would like to encourage and support groups to come for fundraising activities, and the result is good for our neighborhood. We believe that professional organizations with licensed servers will be more likely to enforce the drinking age. We encourage the language of the ordinance is very clear. Consider how it will be enforced – whether it will be through citizens' complaints or other means. Should there be signs that clarify the need for a permit to have alcohol?
