

JUNE 13 MONTHLY MEETING

Barbara Meister will share with us traffic mitigations the Aquarium is putting in place during the year-long construction of Holman Hwy 68 roundabout.

Monday, June 13

Hilltop Park Center (downstairs)

7 pm

Construction on this project was delayed when bids were opened and the project fund needed \$1.5 million more. Pebble Beach, Pacific Grove & Monterey found the money and the project is back on track.

LIGHTHOUSE SPECIFIC PLAN

Architectural Review Committee decided **May 18** to require public review of all 3-story buildings in the Lighthouse corridor.

The Specific Plan moves to Planning Commission **June 28**. They will discuss the initial Environmental Impact Report (EIR), business types that can be approved by staff without public discussion, traffic, and parking.

You'll receive a postcard with the date of Planning Commission's first meeting on the subject. Your participation matters.

RESIDENTIAL PERMIT PARKING

Do you live in a block where tourists and employees of Lighthouse/Cannery Row are taking up so much of the on-street parking that you can't park near home? The City has a Residential Permit Parking program that can limit non-resident parking to one hour. We will discuss how the program works at our June monthly meeting.

SHORT-TERM RENTALS

There are an increasing number of homes and apartments in New Monterey that are being rented out as short-term rentals, despite a ban by the City. Are you experiencing negative results from this activity? We will be discussing this topic at our June 13 meeting.

CITY PARKING PROGRAMS FOR LOCALS

As a resident of Monterey, you are eligible to enjoy benefits from the city's parking programs: **2-hour Free Parking** Displaying the proper decal permit, residents can park two hours free, per parking stay, in the Downtown West Garage, (at Franklin & Tyler, does not include time limit zones), the Waterfront Attendant Lot (at Washington & Del Monte) and the Cannery Row Garage (at Foam & Prescott).

The Half Price decal entitles Monterey residents to a 50% discount on the hourly rate in the following public parking facilities, Downtown West Garage (at Franklin & Tyler), in the Waterfront Attendant lot (at Washington & Del Monte) and in the Cannery Row Garage (at Foam & Prescott).

(One program cannot be combined with any other special parking program offered by the Parking Division.)
